

BROACHING MACHINE KARL KLINK - RISHM 8.1250.400.S.LV

Broaching machines

Brand :	KARL KLINK
Model :	RISHM 8.1250.400.S.LV
Year :	2016

TECHNICAL DETAILS & EQUIPMENT

Vertical broaching machine KARL KLINK

Model: RISHM 8.1250.400.S.LV

Pulling force : 8 Tons

Max. broaching stroke: 1250 mm

Max. spindle feed stroke: 500 mm

Spindle length: 650-1400 mm

Table top width: 400 mm

Pinning speed: 1-10m/min

Max. return stroke speed: 1-15m/min

Machine weight : 4300Kg

Electrical power : 25Kw

SIEMENS programmable logic controller

Watering tank capacity: 500L

Scraper conveyor

Interface for external automation

Options :

Part program management

Sliding table for rooms

Traction and lifting head with automatic locking
