

CNC GEAR SHAPING MACHINE - GLEASON PFAUTER GP200S

Gear shaping machines

Brand :	GLEASON PFAUTER
Model :	GP200S
Year :	2008
Serial number :	995705

TECHNICAL DETAILS & EQUIPMENT

Control: FANUC 16.Oi MB 6 axis controlled

Workpiece nominal diameter: 200mm

Workpiece wing max: 350 mm

Maximum module: 6

Shaper head (W axis) -25° / +10° tilt

Stroke : 110 mm

Riser block for cutter column : 100 mm

Hydrostatic spindle guide -spur guide

Workpiece clamping hydraulic

Tailstock

2 carousel ring loader stations

20 position carousel conveyor

MPG electronic handwheel

Ethernet Gleason teleservice

Work chamber air filter smoke and mist

Chip removal system opposite operator position

Tool type: HSK B63

Feed and rapid traverse rates max : axial 2000 mm/min – radial 5000mm/min

Cutter spindle drive motor : 12 kW

Retractable deburr unit

Working cutting hours : 6515h

Made in USA - No CE mark
