

CNC MILLING MACHINE LIEBHERR LC 122

Gear hobbing machines

Brand :	LIEBHERR
Model :	LC 122
Year :	1999

TECHNICAL DETAILS & EQUIPMENT

CNC milling machine LIEBHERR LC 122 year 1999 CN Siemens 840C

Technical specifications:

Max. workpiece diameter: 125mm

Max. module 3mm

Axial stroke : 250mm

Table diameter: 145mm

Table rotation: 150 rpm

Tiller rotation: 2000 rpm

Distance between milling cutter and table centre: 10-160 mm

Head tilt ± 45 degrees

HSK50A milling cutter shaft cone

Maximum Shifting : 108mm

Maximum diameter/length of the hob: 90/200 mm

Accessories :

Liebherr automatic loader (HSL) 20 positions with automatic feeder

Tailstock

Clamping device

Cooling system

Magnetic chip conveyor
