

HORIZONTAL CNC GEAR HOBGING MACHINE - KOEPFER 160 CNC

Gear hobbing machines

Brand :	KOEPFER
Model :	K160
Year :	2013

TECHNICAL DETAILS & EQUIPMENT

Shifting range : 160 mm

Max hob diam : 63mm

Max hob width : 250mm

Max hob head swivel : +/- 50

Hob speed range : 500 to 5000 min-1

Maxi Modul : 2.5

Maxi workpiece length 300mm

Equipment:

CNC-Control BWO 900 with 8 axes

Gantry loader including rotating double grippers

Central lubrication system

Nivelastic elements

Complete housing of the work area with electromagnetic locking
