

INTERNAL GRINDING MACHINE - VOUMARD 251 X4 Y/550

Machines sold

Brand :	VOUMARD
Model :	251 X4 Y/550
Year :	1980

TECHNICAL DETAILS & EQUIPMENT

Grinding diameter up to :	300 mm
---------------------------	---------------

Max grinding depth with wheel table max stroke :	400mm / 160mm 700mm / 300mm 1000mm / 450mm
Min stroke of grinding wheel dead table :	2 mm
Longitudinal displacement of the grinding headstock, with grinding wheel table max stroke :	400mm / 300mm 700mm / 400mm 1000mm / 500mm
Traverse movement of the wheelhead :	100 mm
Peak height :	from the ground 1150 mm on grinding table 330 mm on workpiece table 200 mm
Pivoting of the workpiece table without surface device :	-30° + 30°
Passage diameter without sprinkler protection :	350 mm
Bar passage diameter, with workpiece headstock :	50 mm / 70 mm
