

MILLING MACHINE - GLEASON P630

Gear hobbing machines

Brand :	PFAUTER
Model :	P630
Serial number :	55144

TECHNICAL DETAILS & EQUIPMENT

Machine from the aeronautical industry

Technical specifications:

Max. module: 10 mm

- Maximum diameter of the part: 630 mm

- Table diameter: 550 mm

Table bore: 125 mm

Distance table - tailstock min 595 mm

Distance table - tailstock max : 1270 mm

Minimum number of teeth: 8

Maximum diameter of the cutter: 192 mm

Max. length of the cutter: 230 mm

Min/max cutter/workpiece centre distance: 50/425 mm

Max. milling cutter displacement: 200 mm

Weight: about 9 tons

Dimensions: 6110 mm * 3110 mm * 3500 mm

Equipment :

Special tip wedge with 3 button bezel

Fully enclosed

Morse taper 5

Strawberry trees

Division wheel
